

RE-ELECT

CARLA DEVLIN

FOR MAYOR OF EAST ST. PAUL

Strong Leadership. Experience That Matters.

Eight years of municipal service: four years representing Ward 1 and four years as Mayor. I bring 26 years of planning and construction experience, board experience and a record of following through.

A RECORD OF WORKING TOGETHER

- **\$6,146,315.13 in road work and rehabilitation** over the past four years, alongside asset management planning.
- **Safer streets and pathways:** pedestrian crossing lights, 30 km/h school zones, the Pritchard Farm Road sidewalk and an open Raleigh underpass.
- **Community safety:** delivered on my 2022 CSO program promise with Council's support and municipal staff, plus a free Vacation Home Patrol service.
- **Parks and recreation:** duckweed harvesting, improved access at Swistun Family Heritage Park, our dog park and small-dog extension, and the splash pad.
- **Provincial support:** \$300,000 for the splash pad and \$654,628 toward our new fire truck.

Thank you to my fellow councillors for supporting one another's initiatives, and to our staff, volunteers and community partners for helping turn ideas into results.

PRIORITIES FOR THE NEXT FOUR YEARS

Advance our wastewater treatment plant • Build a new fire hall
Improve roads through asset management planning • Support recreation facilities
Bring residents together through community events

I brought back East St. Paul Days and introduced Halloween Park and Walk. Together with our Santa Claus parade, these traditions bring neighbours together and deserve to continue.

VOTE OCTOBER 28

With all four councillor seats changing,
keep experience and continuity in the Mayor's seat.
